In September 2010, Grace will need Sunday School Teachers for all grades. The present staff will be "retiring" after many years of service. You do not have to have an educational background, just a desire to help educate our children. A curriculum is provided along with all bible readings, discussion, craft, and puzzles necessary for the weekly lesson. All that is needed is to review the weekly lesson and share your knowledge with them. If you would like to help or have any questions, please contact Pastor Lee. Thank you.
